DETAILED ACTION

Examiner's Amendment

Claim 17 will be rejoined and allowed along with claims 1-9, 13-16.

Therefore, claims 1-9 and 13 –17 have been allowed over the prior art.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mikio Ishimaru on 12/13/05.

The application has been amended as follows:

Cancel claims 10-12 and 18-54 as nonelected claims.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: prior art could not be located that taught forming a via in a metal interconnect structure comprising forming a via in a dielectric having a vertical sidewall and a via bottom with a curvature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Prior art cited but not relied upon teach the state of the art.
